SCTR's Pune Institute of Computer Technology

Survey No.27, Trimurti Chowk, Dhankawadi, Pune 411043.
Approved by AICTE, New Delhi; Affiliated to Savitribai Phule Pune University
Phone No (020) 24371101, Fax No (020) 24364741
Website : https://www.pict.edu Email : principal@pict.edu

Statutory Declaration under Section 4(1) (b) of the RTI Act, 2005

Statutory Declaration under Section 4 (1) (b) Right to Information (RTI) Act, 2005

Sr.No	Title	Details
1	Name of the Institute	SCTR's Pune Institute of Computer Technology
2	Postal address of the Institute	SCTR's Pune Institute of Computer Technology Survey No.27, Trimurti Chowk, Dhankawadi, Pune 411043
3	Website	https://www.pict.edu
4	E-mail	principal@pict.edu
5	Phone Number	(020) 24371101
6	Fax Number	(020) 24364741
7	Approval and affiliation	- Approved by AICTE New Delhi - Affiliated to Savitribai Phule PuneUniversity - Recognized under 2(f) & 12(B) of the UGC Act - Accredited by NAAC with "B+" grade - All the three UG programs are accredited by NBA - Certificate of Quality System Assessment (ISO 9001:2015) - Recognized by Govt of Maharashtra
8	Important dignitaries of Management	1. Dr. Prabhakar B. Kore Chairman 2. Mr. Rajkumar S. Kothavale Managing Trustee 3. Mr. Swastik M. Sirsikar Trustee Secretary 4. Mr. Amit P. Kore Trustee 5. Ms. Priti K. Doddwad Trustee 6. Ms. Sonal R. Kothavale Trustee 7. Mrs. Ratnaprabha R. Kothavale Trustee
9	Director of the Institute	Dr. Prahlad T. Kulkarni
10	Principal o the Institute	Dr Sanjay T. Gandhe

Working Hours: 10.00AM to 5.00PM

Holidays: The college shall remain closed on 1st & 3rd Saturday, Sundays, and other Holidays

as declared by the SPPU and Government of Maharashtra and included in institute's

calendar.

Courses Offered:

- UG-Bachelor of Engineering (B E) Computer Engineering
- UG-Bachelor of Engineering (B E) Electronics and Telecommunication Engineering
- UG-Bachelor of Engineering (B E) Information Technology
- PG-Master of Engineering (M E) Computer Engineering
- PG-Master of Engineering (M E) Information Technology
- PG-Master of Engineering (M E) Data Science
- PG-Master of Engineering (M E) Electronics and Communication (Wireless Communication Technology)
- PhD in Computer Engineering
- PhD in Electronics and Telecommunication Engineering

Vision

Pune Institute of Computer Technology aspires to be the leader in Higher technical education and research of international repute.

Mission

To be the leading and the most sought after institute of education and research in emerging engineering and technology disciplines that attracts, retains, and sustains gifted individuals of significant potential.

About PICT

Pune Institute of Computer Technology (PICT), an elite academic Institute located in Pune (India), which is rightly known as "The Oxford of the East", playing an inspiring role in the education sector since its establishment in 1983 uder the aegis of Society for Computer Technology and Research (SCTR) with an objective to contribute to higher technical education and research. Great Visionaries and Nobel- towering personalities like Shri. Gopal Krishna, Shri. N. Ramakrishna, and Shri. R. S. Kothavale are amongst the founder members of PICT.

Considering the need for Computer Engineers globally, our great visionaries started the Bachelor of Engineering (B.E.) programme in Computer Engineering, in the year 1983 with the affiliation from Savitribai Phule Pune University (SPPU), formerly known as University of Poona. PICT is the first private self-financed institute to start a Computer Engineering programme (B.E.) in Maharashtra, with an intake capacity of 60 which was subsequently increased to 120 in the Academic Year (A.Y.) 1984-85. In the year 1995, considering the rapid growth in the electronic industry and huge demand for competent engineers, the institute has started BE Electronics & Telecommunication Engineering programme with an intake of 60. At present, the intake capacity of BE Computer Engineering and BE Electronics and Telecommunication Engineering is 240. Institute has started BE Information Technology programme in year 2000 with an intake of 60 and it is subsequently increased to the present intake of 180.

Institute offers post-graduate (PG) programmes in Computer Engineering, Data Science, Electronics and Communication (Wireless Communication Technology), and Information Technology. It is also Savitribai Phule Pune University (SPPU) recognized Research Center in Computer Engineering and Electronics & Telecommunication Engineering.

Institute is approved by AICTE, ISO 9001:2015 Certified, and is NAAC Accredited (3rd Cycle). All UG programmes of PICT are NBA Accredited (CE and E&TC – 6 times, IT – 4 times). PICT is Ranked 8th among private Engineering Institutions in India, 1st among all private Engineering Institutions in Maharashtra, and 4th among all Engineering Institutions including IITs, NITs, and Govt. Colleges in Maharashtra (as per the EDU-RAND ranking- 2015). As per the NIRF 2021 Ranking, PICT is placed in the band of 201 to 250.

To stay ahead in the competition, PICT students are always involved in creating and sustaining cutting-edge technology with the help of specialized laboratories/centers with industry support; like Virtual FinTech Lab, SAS Language Lab, e-yantra IIT Bombay, National Instruments LabVIEW, AICTE funded Center for Wireless Communication, Alumni funded 3D Printer Laboratory, etc.

PICT has a well-established Research & Development (R&D) center. The faculty members have undertaken research projects funded by Department of Science & Technology (DST), All India Council for Technical Education (AICTE), Defence Research and Development Organisation (DRDO), Rajiv Gandhi Science and Technology Commission (RGSTC), Govt. of Maharashtra, and SPPU. There are various research labs established with well equipped facilities to carryout research in the latest emerging trends.

In an endeavour to generate opportunities for the students to realize their dream of starting up their own business/enterprise, and to empower the young talented students to transform their research/findings/innovative ideas into a successful product or service that creates values, PICT has established Entrepreneurship Development Cell (EDC) and Start-up & Innovation Cell (SIC). So, this way our objective of creating more job provider than job seekers is met, in line with Make in India, AatmaNirbhar Bharat Abhiyan, etc. To inculcate research culture and pave the way to a career in industries that are centered on research and innovation, PICT started Ph.D. programme in Computer Engineering and Electronics & Telecommunication Engineering in the A.Y. 2014-15 which is an approved research centre by SPPU.

Founder members' Philosophy of "Quality in Engineering Education and Research" is continuously nurtured and carried further by the Management, Director, Principal, and staff; to make PICT a leader in technical education and research of international repute by attracting and retaining talented individuals with a great potential.

Institute Objectives

- To provide best technical, professional, multidisciplinary education at both Undergraduate and the Post Graduate level, and also inculcate research in the field of Information Communication Technology (ICT) leading to professional excellence of the students.

- To facilitate all-round development of the students not only in the academics but also to excel in cocurricular, extra-curricular, professional society activities resulting in a wholistic development of the students.

- To provide the state-of-the-art infrastructural classroom and laboratory learning facilities.

- To facilitate continuous capacity building of faculty in the domain expertise, pedagogical practices, research, and communication skills for lifelong learning.

- To engage in academic, application oriented socially relevant research work and disseminate the research outcomes to the benefit of industry, society, and nation.

- To involve all the stake holders, especially Alumni in meeting the vision and mission of the institute.

- To directly contribute towards fulfilment of the needs and wellbeing of the society and community.

Institute Core Values

- Integrity: All the academic and research activities will be carried out by the institution in an environment adhering to highest standards of ethics, transparency, freedom, and honesty
- Humility: Institution upholds the respect and dignity of every individual with equality irrespective of the position, caste, creed, religion, region.
- Responsibility and Accountability: Every individual in the institution is responsible for our words, our actions, and our results.
- Empathy: Institution is well aware of the conditions of all the sections of our society and shall strive to contribute towards the betterment of everyone as a team.

Statutory Declaration under the RTI act 2005

Section 4 (1) (b) of RTI Act 2005 covers the statutory declaration of SCTR's Pune Institute of Computer Technology. Website: https://www.pict.edu

Our organization is approved by AICTE and Affiliated to Savitribai Phule Pune University. The Institute has a Governing Body and College Development Committee as per the provisions of the Maharashtra Public Universities Act 2016. It runs as per the rules and regulations made by Govt. from time to time.

The College comes under "Self-Financed" category; therefore, financial transactions are audited bythe private auditors. The college has different Bodies to maintain all types of discipline in the campus. All the cells or committees of the institutions are under Statutory Bodies. The applications under the RTI Act along with a postal order/demand draft for Rs. 10.00 obtained in favor of Principal, SCTR's Pune Institute of Computer Technology, Pune. This application may be sent to the Public Information Officer (PIO) or handed over in his/her office. All information about the college is open for the public and it can it obtained by citizens of India.

Names, designations and other particulars of Public Information Officers

Sr. No.	Name	Designation	Contact Numbers	Email ID
01	Dr S. T. Gandhe	Appellate Information Officer	(020) 24371101	principal@pict.edu
02	Mrs Usha Bhosale	Public Information Officer	(020) 24371101	registrar@pict.edu
